## Notes

For events distant from Whitby please contact the event organiser if you need transport, or have spare places in your car, or want to car-share, so that everyone can access events and we minimise use of cars. All workshops have limited places and may be cancelled if support is insufficient. Early booking preferential for Club Members – book early to guarantee your place and ensure the event runs. Donations invited for workshops in the Museum. Some events are weather dependent – contact the event organiser for advice. Further details about these events will be sent by e-mail and posted on the Club website and Members' noticeboard in Whitby Museum. Extra 'ad hoc' events may be organized at short notice.
